

## Sensitization To Private Schools In Abuja

Staff of The Zeebah Place paid sensitization visits to both SpringHall British School and The Kingfisher School on the 11th and 13th respectively in fulfilling the corporate goal of providing access to quality resources.

At the SpringHall British School, the audience (majorly school teachers) were enlightened about Autism Spectrum Disorder, its symptoms ,the benefits of early detection and intervention. While at The Kingfisher School, the sensitization took place at the Tea & Coffee Breakfast Meeting for parents.

### SpringHall British School, Maitama District Abuja

### The Kingfisher School, Wuse II District Abuja

## Spring Term Open Day!

Open Day for this session's Spring Term held as scheduled. Parents had the opportunity to interact and discuss with their child's/children's Therapist(s) on progress achieved so far. Also present was The Zeebah Foundation's Consultant Speech & Language Therapist- Ms Tomi Agboola-Odeleye who met with all parents to discuss speech & language milestones and next steps.

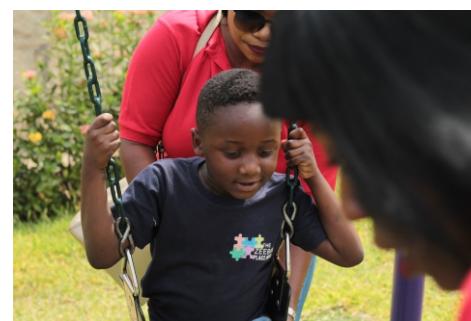

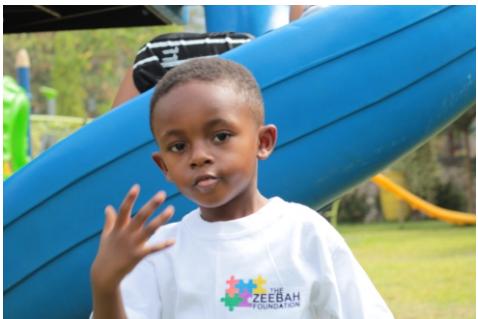

**IMPORTANT DATES TO NOTE**

**World Autism Awareness Day :**  
April 2nd 2020

**Last Day of Term (Term 2) :**  
April 3rd 2020

# Spring Term Excursion To Central Park Abuja

Children of The Zeebah Place Abuja paid a visit to Central Park Abuja on 21st February 2020 as part of our outdoor social skills excursion for the term. The children were thrilled and had a feel of the park's facilities -swings, slides, carousel and trampoline.

## Speech & Language Training Sessions

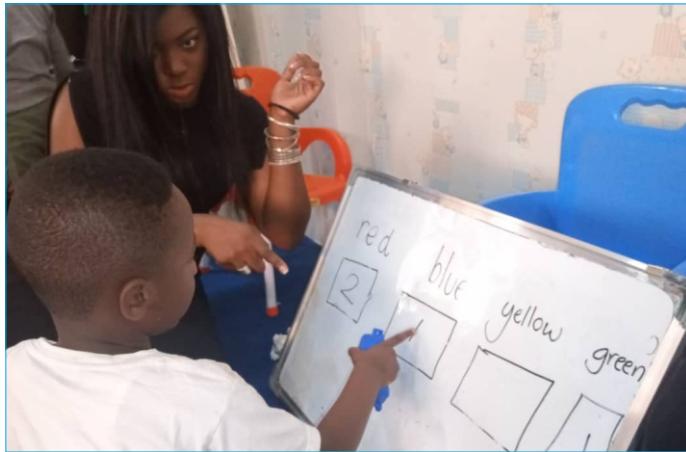

The Zeebah Foundation's Consultant Speech and Language Pathologist engaged in-house therapists in speech and language therapy training.

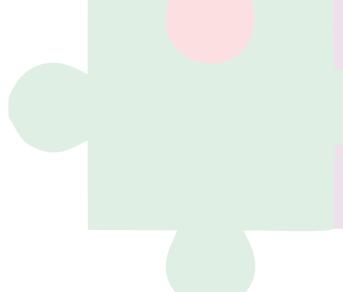

## Individualised Half-Term Assessments

Individual assessments were carried out to check each child's current abilities and also to modify/ redesign programs that fit each child's current needs (with regards to speech and language development).
